To: Immigration, Refugees and Citizenship Canada (IRCC)

From: Jane Doe

Date: 2024-08-01

I am submitting this Letter of Explanation to clarify my application details. All supporting documents provided are authentic, true, and complete.

Corroborating Documents Attached:

- Official Bank Transfer Receipt
- Gift Deed Affidavit

Narrative Statements / Detailed Notes:

I, Eleanor Vance, submit this document as my solemn statement explaining my cohabitation with my common-law partner Thomas Vance and my use of the alias Eleanor Vance-Wright on historical academic records.

We have lived together as a couple in a conjugal relationship since October 2021. Furthermore, my birth certificate issued in foreign language lists my surname as Vance-Wright, which I updated informally upon starting university.

I declare under penalty of perjury that the statements in this letter are true. Note that I was unable to visit a notary public before submission due to travel constraints, so I am submitting this signed statement directly.
