Narrative Statements / Detailed Notes:

The applicant, Carlos Garcia, claims Express Entry CRS points for having a biological sibling residing in Canada, Mateo Garcia.

However, the applicant submitted only a short-form birth registration card that does not list the names of either parent. Furthermore, no birth certificate or legal vital statistics record was provided for the sibling residing in Canada.

As a result, shared parentage cannot be verified by IRCC officers, leading to a procedural fairness concern regarding the validity of the claimed sibling relationship and associated CRS points.
